CAREER OBJECTIVE:

Computer Science student with a strong command of Data Structures & Algorithms and Full-Stack development. Skilled in building efficient, user-focused applications using MERN and Spring Boot. Driven by a passion for clean code, continuous learning, and solving real-world problems through technology.

EDUCATION:

B.Tech in Computer Science and Engineering	2023 – 2027
CVR College of Engineering	CGPA: 9.3
Intermediate (MPC)	2021 – 2023
Board of Intermediate Education, Telangana	Percentage: 98%
Secondary School Certificate (SSC)	2021
Board of Secondary Education, Telangana	CGPA: 10.0

TECHNICAL SKILLS:

Programming Languages: Java, Python, C, C++(basic)

Frontend Technologies: HTML, CSS, Bootstrap, JavaScript, React

Backend Technologies: Spring Boot, Node.js, Express.js, Flask (learning)

Databases: MySQL, MongoDB, PostgreSQL (learning)

Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, Data Analytics

TECHNICAL PROJECTS:

Title: Expense Tracker

- Developed a user-friendly application to track daily expenses and manage budgets.
- Integrated real-time expense summaries with graphical representations using charts for better financial insights.

Title: BizBot

- Developed BizBot, an AI-powered assistant to automate customer interactions, order processing, and business operations.
- Built an integrated system with conversational AI, order management, and analytics for real-time insights and automation.

Title: NetServe (currently working)

- Developing an ISP management system to handle user subscriptions, billing, and service plans efficiently.
- Implementing user authentication, bandwidth tracking, and automated billing to streamline network operations.

CERTIFICATIONS:

- Completed Data Structures and Algorithms certification from **Smart Interviews**, strengthening problem-solving and algorithmic skills.
- Participated in **Code your way to data mastery** workshop held at CVR College of Engineering.
- Completed **MongoDB** certification, gaining hands-on experience in NoSQL data modelling, CRUD operations, and query optimization.

LANGUAGES:

- English
- Telugu
- Hindi

INTRESTS:

Sports (Outdoor and Indoor), Exploring new things, Listening Music, Encountering various challenges.
